

From the Desk of President of ABM NE: Bob Slechta

Thank you for your patience as I have gone through the past month. A new grandson (Elizabeth and Vic had their first baby boy!) 2 weeks ago, our annual convention from the 20th – 25th in Las Vegas only to come home and have the entire office crash after that storm last Tuesday. Power outage spiked and destroyed our network and several computers in our office. I've got nothing done but frustration all this week trying to rebuild our office network.

I have been working with Jason Workman over the past month to put together our program focusing on our National ABMen training manual "ABMen of Action – Servant Leadership". While we tried to find a speaker from across the state we are going to propose to you that we present the materials ourselves, led by Jason / myself and one other. The materials are the materials provided by the National Board last fall and being rolled out across the Country this year. I would like to schedule a breakfast meeting at 7:30 AM, the 12th. Then, we can pin this all down.

Ironically one year to the day from our meeting last year at Mahoney St. Park.. The early hour will allow us all to get back to activities at our own churches earlier,. .Sunset Hills is having a full church Yard Sale that day and some of us need to be back there

Finally I would like to thank you for all do. We are all busy. Some of us are busy and seems to be never organized enough to get through the day. Nebraska Men and this ministry count on each of us and I appreciate all of your prayers and assistance with this ministry.

Men

I have had the opportunity to visit with Glen Dappen this afternoon and I would like to ask each of you to add Glen's brother Wes to your prayer list if you haven't already. Wes's health is not real good right now and he will be having surgery next Monday, July 19th. Please put the Wes and the entire Dappen family in your prayers. These brothers have been Godly mentors to so many of us and we need to support them all but especially Wes at this time.
