

DRT Requirement List

Folks,

I was recently asked what was still needed in the trailer. The following items are needed and are in order if importance:

<u>Items</u>	<u>Category</u>	<u>Cost:</u>
	<u>SAFETY</u>	
Tree cutting hard hats (face shields / ear protection included) six to eight hard hats		\$250-350
Two more chaps for protection while running chain saws.		\$100
	<u>SAWS</u>	
Cutting chains for our current chain saws.		\$40-60
Pole chain saw		\$175-225
20' chain saw		\$200
2-3 5 gallon gas cans		\$20-30
	<u>POWER</u>	
Generator		\$450-500
3-4 padlocks (to lock up generators / power equipment when in use)		\$15-20
	Other Items*	
Additional pressure sprayer	\$200	
2 Water coolers (5 gallon) w/ disposable cups		\$25-35
Wet and Dry Vac (Large)		<u>\$100</u>
Rough Estimates for above items are between -\$1600 - \$1900		
* Also Important, but a little lower on the Totem Pole.		

We can do this guys! The need is now, so we can be prepared for disasters. We have recently been very close to being called out and still remain ready to go.

Thank you for spreading the word with your Men's groups!
