### Our Guest Speakers:

Since accepting the call to serve as the General Secretary of the American Baptist Churches USA in June 2017, Rev. Dr. Lee B. Spitzer has cast a vision calling for the American Baptist family to unify around the historic Baptist movement's core convictions and mission, and to enter a new era of church growth, evangelism, prophetic witness and creative service in cooperation with our national and regional partners.

Rhonda Reed was commissioned to serve in Bolivia as a Global Servant with International Ministries at her home church in 2011. Since October 2014, she has worked with the House of Hope, which focuses on urban social ministries to families, especially at-risk women and children.
