Missional Church

Energizing & Equipping Nebraska Churches

ABC/NE churches from across the state are embarking on an experience designed to help them become more involved with their communities in ways that demonstrate Christ's love.

The Missional Church Learning Experience (MCLE) will engage participating churches in a nine month process to design and put into practice a small community project that will serve as the church's learning tool. The MCLE is a cooperative project of local churches, ABC/NE, and the American Baptist Home Mission Societies.

Executive Minister Robin Stoops said, "The Missional Church Learning Experience has the potential to revive our relationship with Christ and our communities. It is vital for us as the church to become less focused

on us and more focused on Him if we take seriously becoming His hands and feet."

Steve Wisthoff, pastor of Second Baptist in Lincoln, a participating congregation, said, "These early years of the 21st century have found us struggling to move in a positive direction. The adoption of the missional church philosophy and theology allows us to

become reignited by the Great Commission. We can once again focus on becoming a 'sending' church that recognizes the mission field is in our own backyard."

Everyone is encouraged to pray for the churches in both the eastern part of the state and the western part of the state that are engaged in this process.

Live the Word— Proclaim the Word— Be Transformed

The 2011 World Mission Offering theme, **Live the Word > Proclaim the Word > Be Transformed** celebrates global evangelism, exemplified by the inspiring efforts of committed global Christian partners. The movement toward Jesus

is strong throughout the world, especially in Asia, Latin America and Africa. American Baptist missionaries, volunteers and churches are a part of this movement. Thanks to each ABC church for supporting these efforts through gifts to the World Mission Offering.

Most ABC/NE churches receive the World Mission Offering in October. This offering supports ABC mission overseas. October is also the month churches participate in World Communion Sunday. Executive Director of ABC's International Ministries, Reid Truelson writes, "October 2 is World Communion Sunday. I urge you to make global evangelism your theme as your church joins with millions of other believers around the world in a spirit of unity and shared belief."

An Old Man with A New Song

The story of Zachariah is a story that I must admit I have passed by many times. I have always given myself the excuse that it is just some prep for the good stuff: the birth of Jesus. However, I have come to realize everything we have in the scripture is there for a purpose. The story of Zachariah is no different.

eyes and his heart were opened wide. When John the Baptist was born, Zachariah made a profession of faith we should never forget. He starts with praise for God's blessing, then bursts into song, remembering God's faithfulness throughout history and sharing his new opportunity. He now has the privilege to serve God without fear!

Zachariah was an old priest. If we looked for fame and fortune, we wouldn't be looking in his direction. There isn't much notable in his life. Finally, he has the opportunity to enter the temple in a once-in-a-lifetime experience. His trip.....life changing. When he enters, it is what he expects: awesome. But not in the way he expected. The Bible says: "an angel of the Lord appeared to him." At this significant happening, Zachariah was startled and overcome with fear. Have you ever noticed that when an angel appears the angel almost always begins with "Do not be afraid?" I am pretty sure the angels of our Lord don't look anything like the ones on our shelves.

Our relationship with God is often tempered by our fear of His willingness to judge us. There is no question we should fear (revere) God for all He is and all He has done. But in Christ we can leave the fear behind. "Fear not!" the angels say, God has looked upon us with favor, freeing us to know Him in an intimate relationship through His Son, Jesus Christ. Our ministry and mission must be bold, holy, passionate and cutting-edge, not by the world's standards but by God's. We must step out in faith, living what we know to be true about our call to be His hands and feet without fear.

Celebrate! Sing! Shout! And proclaim the truth in all that we are for the sake of the Kingdom -

Fearlessly trusting.
Robin

The angel had a message. A fantastic, unorthodox, out-of-the-box message for Zachariah, after years of praying and pleading he and Elizabeth were going to be parents! It was too much for old Zach. He could not imagine God doing something so wild and crazy. His lack of faith caused his mouth to be shut, but his

Thanks to ABC/NE from Dave Lundholm

I thank God for all of you and the wonderful celebration at convention of my 20 years of ministry with you. Thanks for the cards, letters, gifts and expressions of appreciation. It was a convention I will warmly remember for years to come.

Some of you asked what has been most rewarding in this ministry. The answer is easy. I have loved the celebrations: installations, ordinations and anniversaries. Helping new ministerial relationships become established has been a blessing to me.

I encourage you to continue the good work that God has begun in you.

I always thank my God as I remember you in my prayers, because I hear about your faith in the Lord Jesus and your love for all the saints. I pray that you may be active in sharing your faith, so that you will have a full understanding of every good thing we have in Christ. Your love has given me great joy and encouragement. Philemon 1:4-7

Blessings!

Fremont Pastor Speaks In Latvia

A number of ABC-NE pastors do notable mission work outside of Nebraska as well as within. One of these, Pastor Gundar Lamberts, FBC Fremont, recently went on a mission trip to Latvia (formerly of the Soviet Union). While in Latvia he preached in three different Latvian Baptist churches in Ogre, Riga, and Valmiera, preaching five times. Three times he spoke in Latvian since there was no one to interpret for him. From these services ten people came forward to commit or recommit their lives to Christ. He also led an adult Bible study at the Trinity Baptist Church family camp.
