CALMLY PLOTTING RESURRECTION

Calmly Plotting Resurrection Theme

Paul emphasizes the foundational Christian belief in resurrection when he writes to the church in Corinth, "For what I received I pass on to you as of first importance: that Christ died for our sins according to the Scriptures, that he was buried, and that he was raised on the third day according to the Scriptures..." Resurrection is the heart of the Gospel. Without it, Paul says a few sentences later, our faith is useless.

The 2023 Region Convention will center around our shared Gospel hope in resurrection. Like a gardener who calmly maintains a detailed chart of things planted in the autumn in the hopes of spring flowers and summer vegetables, we too calmly carry on the mission and ministries assigned to us, believing firmly the active presence of Christ will fulfill his promise of resurrection. There is work to do! We are not complacent. But our hearts are calm, because our hope is in Christ.

All Nebraska Baptists are invited to gather October 6-7, for workshops, worship, and fellowship to celebrate the faithful ministries of local churches and individuals being the hands and feet of Jesus. We will share the signs of resurrection in our churches, communities, and personal lives. We will honor our past, celebrate our present, and prepare for our future together as the American Baptist Churches of Nebraska.

Together, ABC Nebraska Baptists are calmly plotting resurrection!

I invite you to join us!

Rev. Dr. Greg Mamula
